

(f) *Restrictions on use of trawl nets*—(1) *Prohibition on use of trawl nets.* A vessel issued a limited access scallop permit fishing for scallops under the scallop DAS allocation program may not fish with, possess on board, or land scallops while in possession of, trawl nets unless such vessel has on board a valid letter of authorization or permit endorsed to fish for scallops with trawl nets.

(2) *Eligibility to use trawl nets.* (i) A vessel is eligible for a letter of authorization or a permit endorsement to fish for scallops with trawl nets if the vessel:

(A) Has not fished for scallops with a scallop dredge after December 31, 1987, and, as of July 19, 1996, has a letter of authorization or permit endorsed to fish for scallops with trawl nets;

(B) Has fished for scallops with a scallop dredge on no more than 10 trips from January 1, 1988, through December 31, 1994, has an engine horsepower no greater than 450, and is eligible for or has been issued a 1996 limited access scallop permit (if the vessel does not obtain a letter of authorization or a permit endorsed to fish for scallops with trawl nets for the 1996–97 scallop fishing year, the vessel shall not be eligible under this provision for subsequent fishing years); or

(C) Is a replacement vessel for a vessel described in paragraph (f)(2)(i)(A) or (B) of this section.

(ii) NMFS will contact the owners of all vessels with limited access scallop permits that have not previously been issued a letter of authorization or permit endorsed to fish for scallops with trawl nets as to whether, based on information available to NMFS on July 19, 1996, their vessels are eligible under paragraph (f)(2)(i)(B) of this section for a letter of authorization or permit endorsed to fish for scallops with trawl nets. If a vessel owner agrees with NMFS' determination that the vessel is eligible under paragraph (f)(2)(i)(B) of this section to fish for scallops with trawl nets, the owner must, within 30 days of receipt of the determination, sign and submit to NMFS a declaration, provided by NMFS, stating that the vessel has fished for scallops with a scallop dredge on no more than 10 trips from January 1, 1988, through Decem-

ber 31, 1994, and has an engine with no greater than 450 horsepower. The signed declaration shall serve as a rebuttable presumption that the vessel qualifies for a letter of authorization or permit endorsement to fish for scallops with trawl nets. Any replacement vessel must meet the limitations on fishing for scallops with scallop dredges that the vessel it is replacing met. The letter of authorization or permit endorsement must be requested by the vessel owner at the time the vessel owner initially applies for a permit for the replacement vessel.

[61 FR 34968, July 3, 1996, as amended at 61 FR 38405, July 24, 1996; 62 FR 14648, Mar. 27, 1997; 65 FR 37911, June 19, 2000]

**§ 648.52 Possession and landing limits.**

(a) Except as provided in paragraph (e) of this section, owners or operators of vessels with a limited access scallop permit that have declared out of the DAS program as specified in § 648.10 or that have used up their DAS allocations, and vessels possessing a general scallop permit, unless exempted under the state waters exemption program described under § 648.54, are prohibited from possessing or landing per trip more than 400 lb (181.44 kg) of shucked, or 50 bu (17.62 hl) of in-shell scallops with no more than one scallop trip of 400 lb (181.44 kg) of shucked, or 50 bu (17.62 hl) of in-shell scallops, allowable in any calendar day.

(b) Owners or operators of vessels without a scallop permit, except vessels fishing for scallops exclusively in state waters, are prohibited from possessing or landing per trip, more than 40 lb (18.14 kg) of shucked, or 5 bu (176.2 L) of in-shell scallops. Owners or operators of vessels without a scallop permit are prohibited from selling, bartering, or trading scallops harvested from Federal waters.

(c) Owners or operators of vessels with a limited access scallop permit that have declared into the Sea Scallop Area Access Program as described in § 648.58 are prohibited from fishing for, possessing or landing per trip more than the sea scallop possession and landing limit specified in § 648.58(c)(6).

(d) Owners or operators of vessels issued limited access or general category scallop permits fishing in or

transiting the area south of 42°20' N. Latitude at any time during a trip are prohibited from fishing for, possessing, or landing per trip more than 50 bu (17.62 hl) of in-shell scallops shoreward of the VMS Demarcation Line, unless when fishing under the state waters exemption specified under §648.54.

(e) Owners or operators of vessels with a general category scallop permit and vessels with a limited access scallop permit that are not fishing under a scallop DAS may land per trip no more than 100 lb (45.36 kg) of sea scallop meats in or from the areas described in §648.57, and may possess no more than 100 lb (45.36 kg) of sea scallop meats in or from the areas described in §648.57, unless the vessel is only transiting the areas with all fishing gear unavailable for immediate use as defined in §648.23(b), or, there is a compelling safety reason to be in such areas without all such gear being unavailable for immediate use. No in-shell scallops from the Hudson Canyon and Virginia Beach Sea Scallop Access Areas may be landed. In-shell scallops up to 12.5 bu (4.41 hl) taken by such vessels from the Hudson Canyon and Virginia Beach Sea Scallop Access Areas may be possessed only for the purpose of shucking in order to provide no more than 100 lb of scallop meats. Any combination of scallop meats and in-shell scallops possessed by such vessels must be equivalent to no more than 100 lb (45.36 kg) of scallop meats.

[61 FR 34968, July 3, 1996, as amended at 62 FR 37156, July 11, 1997; 64 FR 31149, June 10, 1999; 65 FR 37911, June 19, 2000; 66 FR 24056, May 11, 2001]

#### § 648.53 DAS allocations.

(a) *Assignment to DAS categories.* For each fishing year, each vessel issued a limited access scallop permit shall be assigned to the DAS category (full-time, part-time, or occasional) it was assigned to in the proceeding year. Limited access scallop permits will indicate which category the vessel is assigned to. Vessels are prohibited from fishing for, landing per trip, or possessing more than 400 lb (181.44 kg) of shucked, or 50 bu (17.62 hl) of in-shell scallops once their allocated number of DAS, as specified under paragraph (b) of this section, are used up.

(b) *DAS allocations.* Each vessel qualifying for one of the three categories specified in paragraph (a) of this section shall be allocated, annually, the maximum number of DAS it may participate in the limited access scallop fishery, according to its category. A vessel whose owner/operator has declared it out of the scallop fishery, pursuant to the provisions of §648.10, or has used up its allocated DAS may leave port without being assessed a DAS, as long as it does not possess or land more than 400 lb (181.44 kg) of shucked or 50 bu (17.62 hl) of in-shell scallops and complies with the other requirements of this part. The annual allocations of DAS for each category of vessel for the fishing years indicated are as follows:

DAS Category	1999– 2000	2000– 2001	2001– 2002	2002– 2003	2003– 2004	2004– 2005	2005– 2006	2006– 2007	2007– 2008	2008
Full-time	120	120	120	120	45	34	35	38	36	60
Part-time	48	48	48	48	18	14	14	15	17	24
Occasional	10	10	10	10	4	3	3	3	4	5

(c) *Adjustments in annual DAS allocations.* Adjustments or changes in annual DAS allocations, if required to meet fishing mortality reduction goals, may be made following a reappraisal and analysis under the framework provisions specified in §648.55.

(d) *End-of-year carry-over.* With the exception of vessels that held a Con-

firmed Permit History as described in §648.4(a)(1)(i)(J) for the entire fishing year preceding the carry-over year, limited access vessels that have unused DAS on the last day of February of any year may carry over a maximum of 10 DAS into the next year. DAS sanctioned vessels will be credited
